

Panel housing

for RFID modules of the TWN4 MultiTech 2 family

Panel housing for TWN4 MultiTech 2 modules
(exemplary illustration)

The panel housing kit contains an IP65 plastic housing that can be used to install any RFID reader module of the TWN4 MultiTech 2 family outside. The panel housing is only compatible with the PCBs of these product families and is available in two different variants (with or without LED holes).

Special features:

- + Housing available with or without LED holes
- + Customized inlay on request
- + Compatible with all RFID modules of the TWN4 MultiTech 2 family
